

STUDIO3 FALL 2017 PROGRAMS

(Free and open to all SAUSD high school students)

Triple Threat Mentoring is a non-profit organization that began in Aurora, IL in 2007 with a mission “to empower urban youth to realize their potential and inspire volunteers to leave a lasting legacy.”

Over the years, Triple Threat Mentoring has worked with more than 4,200 volunteers to impact the lives of over 40,000 youth via passion, purpose, and relationships. Many corporate sponsors, like Nike and Jordan Brand, have partnered with us to empower the local community through volunteer-led programs. STUDIO3 is Triple Threat Mentoring’s arts initiative in Santa Ana, CA, set to launch in Fall 2017.

STUDIO3 exists “to inspire, create, and share.”

Our vision is to serve the local Santa Ana community by partnering with schools, businesses, and volunteers and creating a space where students can learn about creativity and get hands-on experience!

We are excited to announce STUDIO3’s creative art programs for this Fall 2017!

Duration: 7-weeks

Dates: October 9 - November 22

Programs meet once a week.

SONGWriters OF SANTA ANA

Tuesdays 4-6PM

Learn to develop lyrics, melodies, chord progressions, and turn them into songs as you experiment with digital recording and mic techniques!

URBAN LIT

Tuesdays 4-6PM

Express yourself through poetry, spoken word, short stories, and other forms of creative writing. Learn how powerful your words can truly be.

THE BEAT LAB

Wednesdays 4-6PM

Unleash the producer in you as you learn to cut and load samples into beat pads. Collaborate with others to drop Santa Ana’s next mixtape!

SKETCHBOOK

Thursdays 4-6PM

Only you can see the world in the way you do. You’ll learn to create impactful, visual messages on paper and digital formats as you explore the world of sketching, painting, graffiti art, and graphic design.

OPEN STUDIO

Fridays 4-6PM

Students enrolled in programs can book sessions in either our Mixing Room or Multi-Purpose Room to work on their own projects or collaborate with student artists from other programs on new ones.
